He (1) the cards as a meditation	(12) that diamonds mean money for this art
And those he plays (2) suspect	But that's not the shape of my heart
He doesn't play for the money he wins	That's not the shape, the (13) of my heart
He doesn't play for the respect	And if I (14) you that I loved you
He deals the cards to find the answer	You'd (15) think there's something wrong
The sacred (3) of chance	I'm not a man of too many faces
The (4) law of (5)	The (16) I (17) is one
outcome	Those who speak know nothing
The numbers lead a dance	And find out to (18) cost
I know (6) the (7) are the	Like those who (19) their luck in too many
(8) of a soldier	places
I know that the clubs are weapons of war	And those who fear are lost
I (9) that diamonds mean money for this art	I know (20) the (21) are the
But that's not the shape of my heart	(22) of a soldier
He may play the (10) of diamonds	I know that the clubs are weapons of war
He may lay the queen of spades	I know (23) (24) mean money
He may conceal a king in his hand	for this art
While the memory of it fades	But that's not the (25) of my heart
I know that the spades are the swords of a soldier	That's not the shape of my heart
know that the clubs are (11) of war
