

God I know what people say about her

## Fill in the gaps

Promised Myself	No mistake, who can live without love
promised I'd wait for you	I promise myself (3) i'd (4) for you
The midnight hour	
know you'll shine on (1)	How many of us out there
promised myself	Feel the pain, of losing what was once there
promised the world to you	God I know (5) people say about her
gave you flowers	No mistake, who can live without love
ou made my dreams come true	I promised myself
How many of us out there	I promised I'd wait for you
Feel the need to run and look for shelter	The midnight hour
promised myself	I know you'll shine on through
Fhat I'd say a prayer for you	I promised (6)
A brand new tomorrow	I promised the world to you
Where all you wish comes true	I gave you flowers
promised myself	You made my dreams come (7)
That I'd (2) it up to you	In the (8) hour I will wait for you
My sister and brother	I will wait for you, I will wait for you
Know I'm in love with you	In the midnight hour I will wait for you
How many of us out there	I will wait for you, I will wait for you
Feel the pain of losing what was once there	I promised myself
