Fill in the gaps

I saw him (1)	there by the record machine	Singing I love rock and roll
I knew he must have been about seventeen		So put another dime in the jukebox, baby
The beat was going strong, playing my favorite song		I love rock and roll
And I could tell it wouldn't be long 'til he was with me, yeah me		So come and take your time and dance with me
I could tell it wouldn't be	long 'til he was with me, yeah me	I love rock and roll
Singing I (2) r	rock and roll	So put another (7) in the jukebox, baby
So put another dime in the jukebox, baby		I love rock and roll
I love rock and roll		So come and take your time and dance with
So come and take your time and dance with me		I love rock and roll
Ow!		So put another dime in the jukebox, baby
He smiled so I got up and asked for his name		I love rock and roll
But that don't matter he said 'cause it's all the same		So come and take (8) time and dance wit
He said, "Can I take ya home where we can be		I love rock and roll
alone?"		So put another dime in the jukebox, baby
