T Love Rock & Roll by Joan Jett

Fill in the gaps

I saw him dancing there by the record machine	Singing I love rock and roll
I knew he must (1) been about seventeen	So put another dime in the jukebox, baby
The beat was going strong, playing my favorite song	I love rock and roll
And I could (2) it wouldn't be long 'til he was with	So come and take your time and dance with me
me, yeah me	I love rock and roll
I could tell it wouldn't be long 'til he was with me, yeah me	So put another dime in the jukebox, baby
Singing I love rock and roll	I love rock and roll
So put another dime in the jukebox, baby	So come and take your time and dance with
I love rock and roll	I (9) rock and roll
So come and (3) your time and dance with me	So put another dime in the jukebox, baby
Ow!	I love rock and roll
He smiled so I got up and asked for his name	So come and (10) your time and dance with
But (4) don't matter he said 'cause it's all the same	I love rock and roll
He said, "Can I take ya home where we can be	So put another dime in the jukebox, baby
alone?"	I love rock and roll
And (5) we're moving on, he was with me, yeah	So come and take your time and dance with
me	I love rock and roll
Next we were movin' on, he was with me, yeah me	So put another dime in the jukebox, baby
Singing I love rock and roll	I love rock and roll
So put another dime in the jukebox, baby	So come and take your time and dance with me
I love rock and roll	
So (6) and take your time and dance with me	
Ow!	
He said, "Can I take ya home where we can be	
alone?"	
Next we're moving on, he was with me, yeah me	
And we'll be movin' on and singing (7)	
(8) old song, yeah with me
