

Fill in the gaps

Aint No Other Man by Christina Aguilera

(Do your thang honey)	You got soul, you got class, you got style with your bad ass
I could feel it from the start	Ain't no other man, it's true
Couldn't stand to be apart	Ain't no other man but you
(1) about you caught my eye	
Something moved me deep inside	(Break it down now)
I don't know what you did boy but you had it	Ain't no other, ain't, ain't no other other
And I've been hooked ever since	Ain't no other, ain't, ain't no other lover
	Ain't no other, I-I-I need no other
I told my mother, my brother, my sister and my friends	Ain't no other man but you
Told the others, my lovers from past and present tense	
That every time I see you everything starts making sense	You are there when I'm a mess
	Talk me down from every ledge
(Do (2) (3) honey)	Give me strength, boy you're the best
	You're the only one who's ever passed every test
Ain't no other man can stand up next to you	
Ain't no other man on the (4) does what you	Ain't no other man can stand up next to you
do	Ain't no (8) man on the planet does what you do
You're the (5) guy a girl finds in a blue moon	You're the kinda guy a girl finds in a (9) moon
You got soul, you got class, you got style with your bad ass	You got soul, you got class, you got style with your bad ass
Ain't no other man, it's true	Ain't no other man, it's true
Ain't no other man but you	Ain't no other man but you
	And now I'm telling you
Never thought I'd be alright, no no no	Said ain't no other man but you!
'Til you came and changed my life, yeah yeah yeah	
What was cloudy now is clear, yeah yeah	Ain't no other man can stand up next to you
You're the light that I needed	Ain't no other man on the planet does what you do
	You're the kinda guy a girl finds in a blue moon
You got what I want boy and I want it	You got soul, you got class, you got style with your bad ass
So keep on givin' it up	
	Ain't no other man, it's true
So tell your mother, your brother, your sister and	Ain't no (10) man but you
(6) friends	
And the others, your lovers, better not be present tense	
'Cause I want everyone to (7) that you are mine	
and no one else's	
Ain't no other man can stand up next to you	
Ain't no other man on the planet does what you do	
You're the kinda guy a girl finds in a blue moon
