

Fill in the gaps

I realized the best part of love is the thinnest slice
And it don't (1) for much
But I'm not letting go
I believe there's still much to believe in
So lift your eyes if you feel you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me
You know you can't fool me
I've been loving you too long
It started so easy
You (2) to carry on
Lost in love and I don't (3) much
Was I thinking aloud and fell out of touch?
But I'm back on my feet
And eager to be what you wanted
So lift your eyes if you feel you can
Reach for a (4) and I'll (5) you a plan
I (6) it out
What I needed was someone to show me
You know you can't fool me
I've been loving you too long
It started so easy
You want to carry on

Was I thinking aloud and fell out of touch?
But I'm back on my feet
And eager to be what you wanted
You know you can't fool me
I've (8) loving you too long
It started so easy
You want to carry on
Lost in love and I don't know much
Was I thinking aloud and fell out of touch?
But I'm back on my feet
Eager to be what you wanted
Now I'm lost, lost in love, lost in love, lost in love
Now I'm lost, I'm lost in love, lost in love, lost in love
Lost in love, lost in love lost in love
Lost in love, lost in love, (9) in love
