

## Fill in the gaps

I know you think that I shouldn't still love you
I tell you that
But if I didn't say it
Well, I'd still have felt it
Where's the sense in that?
I promise I'm not (1) to make your life harder
Or return to where we were
Well I will go (2) with (3) ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I know I left too much mess
And destruction to (4) back again
That I cause nothing but trouble
I understand if you can't (5) to me again
And if you live by the rules of "It's over"
Then I'm sure that that makes sense
Well I will go down (6) this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
And (7) we meet
Which I'm sure we will
all that was there
Will be there still
I'll let it pass
