

Fill in the gaps

Come up to (1) you, tell you I'm sorry		
You don't know how lovely you are		
I had to find you, tell you I need you		
Tell you I set you apart		
Tell me your secrets and ask me your questions		
Oh, let's go back to the start		
Running in circles, coming up tails		
Heads on a science apart		
Nobody (2) it was easy		
It's such a shame for us to part		
Nobody said it was easy		
No one ever (3) it would be this hard		
Oh, (4) me back to the start		
I was just (5) at numbers and figures		
Pulling the puzzles apart		
Questions of science, science and progress		
Do not speak as loud as my heart		

But tell me you (6)	me, come back and haunt me	
Oh and I (7) to the start		
Running in circles, chasing our tails		
Coming back as we are		
Nobody said it was easy		
Oh, it's such a shame for us to	part	
Nobody said it was easy		
No one ever said it would be s	so hard	
I'm going back to the start		
Oh ooh, ooh ooh ooh		
Ah ooh, ooh ooh ooh		
Oh ooh, ooh ooh ooh		
Oh ooh, ooh ooh ooh
