Fill in the gaps

25 (1) of my life and still	I pray every single day
I'm (2) to get up (3)	For a revolution
(4) big hill of hope	So i cry sometimes when i'm lying in my bed
For a destination	To get it all out what's in my head
I realized quickly when i knew i should	Then i start feeling a little peculiar
That the world was made up of this	So i wake in the (8) and i step outside
Brotherhood of man	I take a deep breaththen i get real high
For whatever that means	Then i scream from the top of my lungs
So i cry somethimes when i'm (5) in bed	What's goin' on
To get it all out what's in my head	And i say hey
Then i (6) feeling a (7) peculiar	And i said hey what's goin' on
So i wake in the morning and i step	And i say hey
Outside i take deep breath	I said hey what's goin' on
I get real high	And i say hey
Then i scream from the top of my lungs	And i said hey what's goin' on
What's goin' on	And i say hey
And i say hey	I (9) hey what's goin' on
And i say hey what's goin' on	25 years of my life and still
And i say hey	I'm (10) to get up that great big hill of hope
I said hey what's goin' on	For a destination
And i try, oh my god do i try	
I try all the time
