

Fill in the gaps

I remember when, I remember	Just (10) me
I remember when I (1) my mind	My heroes had the heart
There was something so pleasant (2)	To (11) their lives out on a limb
(3) place	And all I remember
Even (4) (5) have an echo	Is thinking, I (12) to be (13) them
In so much space	Ever since I was little
And when you're out (6) without care	Ever since I was little
Yeah, I was out of touch	It looked like fun
But it wasn't because I didn't know enough	And it's no (14) I've come
I just knew too much	And I can die (15) I'm done
Does that make me crazy?	But (16) I'm crazy
Does that make me crazy?	Maybe you're crazy
Does that make me crazy?	Maybe we're crazy
Possibly	Probably
And I hope (7) you are
