

Fill in the gaps

i remember when, i remember	Just like me
I remember when I lost my mind	My heroes had the heart
There was (1) so pleasant about	To (8) their (9) out on a limb
(2) place	And all I remember
Even your emotions have an echo	Is thinking, I want to be (10) them
In so much space	Ever since I was little
And when you're out there without care	Ever since I was little
Yeah, I was out of touch	It looked like fun
But it wasn't because I didn't know enough	And it's no coincidence I've come
I just knew too much	And I can die when I'm done
Does that make me crazy?	But maybe I'm crazy
Does that make me crazy?	Maybe you're crazy
Does (3) make me crazy?	Maybe we're crazy
Possibly	Probably
And I (4) that you are

You really think you're in control?	
Well, I think you're crazy	
I think you're crazy
