Turn Off The Light by Nelly Furtado

Till you see all my dreams

Not everything in this magical world is quite what it seems

Why don't you, don't you, don't you come and be with me

I'm searching for things that I just cannot see

I pretend to be cool with me, want to believe

Fill in the gaps

t's getting so lonely inside this bed	That I can do it on my own without my heart on my sleeve
Don't know if I should (1) my wounds or say woe is	I'm running, I'm running, catch up with me life
me instead	Or is it love that I'm looking to find?
There's an aching inside my head	It's all in me, can't you see, why can't you
t's telling me you're better off alone	Why can't you see, it's all in me, yeah
After midnight morning will come	All in me, yeah
And the day will see if you will get some	Turn off the light, turn off the light
They say that girl ya know she act too tough, tough, tough	Turn off the light, turn off the light
Well, it's till I turn off the light, turn off the light	I say follow me, follow me, follow me down, down, down,
They say (2) girl you (3) she act so	down
rough, rough	Till you see all my dreams
Well, it's till I turn off the light, turn off the light	Not everything in this magical world is quite what it seems
And I say follow me, (4) me, follow me down,	Turn off the light, turn off the light
down, down	Turn off the light, turn off the light
Till you see all my dreams	I say follow me, follow me, follow me down, down, down,
Not everything in this magical (5) is quite what it	down
seems	Till you see all my dreams, see all my dreams
looked above the other day	Follow me, (9) me, follow me down, down,
Cause I think I am good and (6) for a change	down, down
live my life by the moon	Till you see all my dreams, see all my dreams
f it's high play it low, if it's (7) go slow and if	Turn off the light, turn off the light
t's full then go	Turn off the light, turn off the light
But after (8) morning will come	Turn off the light, turn off the light
And the day will see if you're gonna get some	Turn off the light, turn off the light
They say that girl ya know she act too tough, tough, tough	
Well, it's till I turn off the light, turn off the light	©NELSTAR (10) INC

Well, it's till I turn off the light, turn off the light
