near the drums echoing tonight	I seek to cure what's deep inside, ingritened of this thing that
But she hears (1) whispers of some quiet	i've become
conversation	Chorus
She's coming in 12:30 flight	(instrumental break)
The moonlit wings reflect the stars that guide me towards	Hurry boy, she's waiting there for you
salvation	It's gonna take a lot to drag me away from you
I stopped an old man along the way	There's nothing that a (8) men or more
Hoping to find (2) long forgotten words or ancient	could ever do
melodies	I bless the rains down in africa, i bless the rains (9)
He turned to me as if to say, "hurry boy, it's waiting	in africa
there for you"	I bless the rains down in africa, i bless the rains down in africa
Chorus:	I bless the rains down in africa
It's gonna take a lot to drag me away from you	Gonna take (10) time to do the things we never
There's nothing that a hundred men or (3) could	had
(4) do	
I bless the rains down in africa	
Gonna take some time to do the things we (5)	
had	
The wild dogs cry out in the night	
As they grow (6) longing for some	
solitary company	
I know that i must do what's right	
Sure as (7) rises like olympus	
above the serengeti
