near the drums echoing tonight	I seek to cure what's deep inside, frightened of this thing that
But she hears only whispers of some quiet conversation	i've become
She's coming in 12:30 flight	Chorus
The moonlit wings reflect the stars that (1) me	(instrumental break)
owards salvation	Hurry boy, she's (6) there for you
stopped an old man (2) the way	It's gonna take a lot to drag me away from you
Hoping to find some long forgotten words or ancient melodies	There's nothing (7) a hundred men or more could
He turned to me as if to say, "hurry boy, it's waiting	ever do
here for you"	I bless the rains down in africa, i bless the rains down in africa
Chorus:	I bless the rains (8) in africa, i bless the rains down
t's gonna take a lot to drag me away (3) you	in africa
There's nothing that a hundred men or more could ever do	I bless the rains down in africa
bless the rains down in africa	Gonna take (9) time to do the things we never had
Gonna take some time to do the things we never had	
The wild dogs cry out in the night	
As (4) grow restless longing for some solitary	
company	
(5) that i must do what's right	
Sure as kilimanjaro rises like olympus above the serengeti
