

I feel stupid and contagious

Fill in the gaps

Load up on (1) and bring your friends	Here we are now, (7) us
It's fun to lose and to pretend	A mulatto, an albino
She's over-bored and self-assured	A mosquito, my libido
Oh no, I know a (2) word	Yeah, hey, yay
Hello, hello, how low?	And I forget (8) why I taste
Hello, hello, how low?	Oh yeah, I guess it makes me smile
Hello, hello, how low?	I found it hard, it's hard to find
Hello, hello, hello	Oh well, whatever, nevermind
With the (3) out, it's less dangerous	Hello, hello, how low?
Here we are now, entertain us	Hello, hello, how low?
I feel stupid and contagious	Hello, hello, how low?
Here we are now, entertain us	Hello, hello
A mulatto, an albino	With the lights out, it's less dangerous
A mosquito, my libido	Here we are now, entertain us
Yeah, hey, yay	I (9) stupid and contagious
I'm worse at what I do best	Here we are now, entertain us
And for (4) gift I feel blessed	A mulatto, an albino
Our little (5) has always been	A mosquito, my libido
And (6) will until the end	A denial, a denial
Hello, hello, how low?	A denial, a denial
Hello, hello, how low?	A denial, a denial
Hello, hello, how low?	A denial, a denial
Hello, hello, hello	A denial
With the lights out, it's less dangerous	
Here we are now, entertain us
