

Fill in the gaps

The smell of your skin lingers on me now	We'll play jacks and Uno cards
You're probably on (1) flight back to your home	I'll be (18) best friend and you'll be mine
town	Valentine
I need some shelter of my own protection, baby	Yes, you can hold my hand if you want to
To be (2) myself and center	'Cause I want to (19) yours too
Clarity, peace, serenity	We'll be playmates and lovers
I (3) you know, I hope you know	And share our secret worlds
That (4) has nothing to do with you	But it's (20) for me to go home
It's personal, myself and I	It's getting late, dark outside
We've got some straightenin' out to do	I need to be with myself, and center
And I'm gonna miss you like a child misses their blanket	Clarity, peace, serenity
But I've got to get a move on with my life	I (21) you know, I hope you know
It's (5) to be a big girl now	That this has nothing to do with you
And big girls don't cry	It's personal, myself and I
Don't cry, don't cry, don't cry	We've got (22) straightenin' out to do
The (6) (7) I'm walkin', I must go alone	And I'm gonna miss you (23) a child misses
I must take the baby steps 'til I'm (8) grown, full	(24) blanket
grown	But I've got to get a move on with my life
Fairy tales don't (9) have a happy ending, do	It's time to be a big girl now
they?	And big (25) don't cry
And I foresee the dark ahead if I stay	Don't cry, don't cry, don't cry
I (10) you know, I hope you know

And I'm gonna (12) you like a child	
(13) their blanket	
But I've got to get a (14) on with my life	
It's time to be a big girl now	
And big girls don't cry	
Like the (15) (16)
