

Fill in the gaps

I must be crazy now	Till the end of time
Maybe I dream too much	Well maybe I, I need a little love yeah
But when I (1) of you	And maybe I, I need a little care
I long to feel your touch	And maybe I, maybe you, maybe you, maybe you
To whisper in your ear	Oh you need somebody just to hold you
Words that are old as time	If you do, just reach out and I'll be there
Words (2) you would hear	I love you, please say
If only you were mine	You love me too
I wish I could go back to the very first day I saw you	Please say you love me too
Should've made my move when you looked in my eyes	Till the end of time
'Cause by now I know that you'd feel the way that I do	These three words
And I'd whisper these words as you'd lie here by my side	They could (9) our lives forever
I love you, please say	And I promise you that we will always be together
You love me too, (3) three words	Oh, I (10) you
They could change our lives forever	Please say you love me too
And I promise you that we will always be together	Please please
Till the end of time	Say you love me too
So today, I (4) find the courage deep inside	Till the end of time
Just to walk right up to your door	My baby
But my body can't move when I finally get to it	Together, together, forever
Just (5) a (6) times before	Till the end of time
Then without a (7) he handed me this letter	I love you
Read I hope this finds the way into your heart, it said	I will be your light
I love you, please say	Shining bright
You love me too, these three words	Shining through your eyes
They could change our lives forever	My baby
And I (8) you that we will always be	
together
