

Fill in the gaps

I must be crazy now	Till the end of time
Maybe I dream too much	Well (20) I, I need a little love yeah
But when I (1) of you	And (21) I, I need a little care
I long to feel (2) touch	And maybe I, (22) you, maybe you, maybe you
To whisper in your ear	Oh you need somebody just to hold you
Words that are old as time	If you do, just reach out and I'll be there
Words only you would hear	I love you, please say
If (3) you (4) mine	You love me too
I (5) I could go back to the very first day I saw you	Please say you love me too
Should've made my move (6) you looked in my	Till the end of time
eyes	These three words
'Cause by now I know that you'd (7) the way that I	They could change our lives forever
do	And I (23) you that we (24)
And I'd (8) these words as you'd lie	always be together
(9) by my side	Oh, I love you
I love you, please say	Please say you (25) me too
You (10) me too, these three words	Please please
They could change our lives forever	Say you love me too
And I promise you (11) we will (12)	Till the end of time
be together	My baby
Till the end of time	Together, together, forever
So today, I (13) find the courage deep	Till the end of time
inside	I love you
Just to walk right up to your door	I will be your light
But my body can't (14) when I finally get to it	Shining bright
Just (15) a thousand times before	Shining (26) your eyes
Then without a word he handed me this letter	My baby
Read I hope this (16) the way into	
(17) heart, it said	
I love you, please say	
You love me too, these (18) words	
They could (19) our lives forever	
And I promise you that we will always be together
