I Love You by Celine Dion

I must be crazy now
Maybe I dream too much
But when I think of you
I long to feel your touch
To whisper in (1)_____ ear
Words that are old as time
Words only you would hear
If (2)_____ you (3)_____ mine
I wish I (4)_____ go back to the very first day I saw
you
Should've made my (5)_____ (6)_____ you looked
in my eyes
'Cause by now I know that you'd feel the way that I do
And I'd whisper these words as you'd lie here by my side
I love you, (7)_____ say
You love me too, these (8)_____ words
They could change our lives forever
And I promise you that we will always be together
Till the end of time
So today, I (9)_____ find the courage deep inside
Just to (10)_____ right up to your door
But my body can't (11)_____ (12)_____ I finally get
to it
Just like a thousand times before
Then without a word he handed me this letter
Read I (13)_____ this finds the way (14)_____ your
heart, it said
I (15)_____ you, please say
You (16)_____ me too, (17)_____
(18)_____ words
They (19)_____ change our lives forever
And I promise you (20)_____ we will always be together

Till the end of time
Well maybe I, I need a (21)_____ (22)_____

And maybe I, I (23)_____ a little care
And maybe I, maybe you, maybe you, maybe you
Oh you need somebody just to (24)_____ you
If you do, just reach out and I'll be there
I love you, please say
You love me too
Please say you love me too
Till the end of time
These three words
They could change our lives forever
And I promise you that we will always be together
Oh, I (25)_____ you
Please say you love me too
