You're Still The One by Shania Twain

(When I (1) saw you, I saw love.	(You're still the one)
And the first time you (2) me, I felt love.	You're still the one (9) I lov
And after all this time, you're still the one I love.)	The only one I dream of
Looks (3) we made it	You're still the one I kiss good night
Look how far we've come my baby	Ain't nothin' better
We mighta (4) the (5) way	We beat the odds together
We (6) we'd get there someday	I'm glad we didn't listen
Bridge:	Look at what we would be missin'
They said, "I bet they'll never make it"	Repeat Bridge
But just look at us holding on	Chorus 2x
We're still together (7) going strong	I'm so glad we made it
Chorus:	Look how far we've come my baby
(You're still the one)
