All Of Your Love by Hellogoodbye

Fill in the gaps

Giri, you wanted	But you can't be close enough (8) I'm
To shut it all off and (1) a run for the door	(9) your heart beat
It's so hard	All of your love
To make it	Was all that I needed
For every inch we get we need a (2) more	All of your love
But there is always so much distance can't but feel it	Was all that I needed
somehow	Girl
But you have never ever felt it like you feel it right now	It's (10) enough
I'm closing off inside and I was only (3) starting	Just to move around, yeah
But you can't be close enough unless I'm feeling your	It's hard enough
(4) beat	Just to move around
All of your love	I wanted you
Was all that I needed	Oh, I wanted you
All of your love	Girl I wanted you to move
Was all that I needed	Oh, I wanted you
Girl	Girl I wanted you
What are you doing now?	Oh, I wanted you to move
And are you going out?	Around
Or has your life shut down?	Around
Are you there?	All of your love
This (5) keeps cutting out	Is all that I need
I feel like freaking out	All of your love
But we keep reaching out	Is all that I need
But there is always so much (6) can't but	
feel it somehow	
But you have (7) ever felt it like you feel it right	
now	
I'm closing off inside and I was only just starting
