## All Of Your Love by Hellogoodbye

## Fill in the gaps

Girl, you wanted	But you can't be close enough unless I'm
To shut it all off and make a run for the door	(6) your heart beat
It's so hard	All of your love
To make it	Was all that I needed
For every inch we get we need a mile more	All of (7) love
But there is always so much (1) can't but	Was all that I needed
(2) it somehow	Girl
But you have never ever felt it like you feel it right now	It's hard enough
I'm closing off inside and I was only just starting	Just to move around, yeah
But you can't be close enough unless I'm feeling (3)	It's hard enough
heart beat	Just to move around
All of (4) love	I wanted you
Was all that I needed	Oh, I wanted you
All of your love	Girl I wanted you to move
Was all that I needed	Oh, I (8) you
Girl	Girl I wanted you
What are you doing now?	Oh, I (9) you to move
And are you going out?	Around
Or has your life shut down?	Around
Are you there?	All of your love
This thing keeps cutting out	Is all that I need
I feel like freaking out	All of your love
But we keep reaching out	Is all that I need
But there is always so much distance can't but feel it	
somehow	
But you have never ever felt it like you feel it right now	
I'm closing off inside and I was only (5) starting
