When I'm more than I thought I could be When all of my dreams are a heart beat away

Fill in the gaps

One Moment In Time by Whitney Houston

Each day I live, I want to be	And the answers are all up to me
A day to give the best of me	Give me one moment in time
'm only one, but not alone	When I'm racing with destiny
My finest day is yet unknown	Then in that one moment of time
broke my heart for (1) gain	I will feel, I will feel eternity
To taste the sweet, I faced the pain	You're a winner for a lifetime
rise and fall, yet through it all	If you seize that one moment in time, make it shine
This much remains	Give me one moment in time
want one moment in time	When I'm more than I (8) I could be
When I'm more (2) I thought I could be	When all of my dreams are a heart beat away
When all of my (3) are a heart (4)	And the answers are all up to me
away	Give me one moment in time
And the answers are all up to me	When I'm racing with destiny
Give me one moment in time	Then in that one moment of time
When I'm (5) with destiny	I will be, I will be free, I (9) be,
Then in that one (6) of time	(10) be free
will feel, I will feel eternity
