I had to escape
The city was sticky and cruel
Maybe I should have (1) you first
But I was (2) to get to you
I was dreaming while I drove
The long straight road ahead, uh uh yeah
Could taste your sweet kisses
Your (3) open wide
This fever for you
Is just burning me up inside
I drove all night to get to you
Is that alright?
I drove all night, crept in your room
Woke you (4) (5) sleep
To make love to you
Is that alright? I drove all night
What in this world
Keeps us from falling apart?
No matter (6) I go, I hear
The beating about our one heart
I (7) about you
When the night is (8) and dark, uh uh yeah
No one can move me
The way that you do

Nothing erases this feeling

Between me and you I drove all night to get to you Is that alright? I drove all night, crept in your room Woke you from your sleep To make love to you Is that alright?
