| Uh huh | I see the way you're actin' like you're somebody else |
|---|---|
| Life's like this | Gets me frustrated |
| Uh huh, uh huh | Life's like (3) you |
| That's the way it is | You fall and you crawl and you break |
| 'Cause life's like this | And you take what you get, and you turn it into |
| Uh huh, uh huh | Honestly, you promised me |
| That's the way it is | I'm never gonna (4) you fake it |
| Chill out, what you yellin' for? | No no no |
| Lay back, it's all been done before | (No no no) |
| And if, you could only let it be | No no |
| You (1) see | (No no no) |

| Somebody else | Lay back, it's all been (5) before |
| 'Round everyone else | And if you could (6) let it be |
| Your watchin' your back | You will see |
| Like you can't relax | Somebody else |
| You tryin' to be cool | 'Round everyone else |
| You look like a fool to me | Your watchin' your back |
| Tell me | Like you can't relax |
| Why'd you have to go and make things so complicated? | You tryin' to be cool |
| I see the way you're actin' like you're somebody else | You look like a fool to me |
