## In My Life by The Beatles

## Fill in the gaps

There are (1) I remember,	
all my life, though (2) have change	d
some forever not for better,	
some have gone, and some remain,	
all (3) places have their moment	S,
with lovers and friends, I still can recall,	
some are dead and some are living,	
In My Life, I've loved them all	
But of all these friends and lovers,	
there is no one, compares with you,	
and these (4) lose (5)	meaning,
when I (6) of love, as something	new
though I know I'll (7) lose affection	on,
for people and things, that went before	
I know I'll (8) stop and (9)	about them,
In My Life, I love you more	
though I know I'll never lose affection,	
for people and things, that went before	
I know I'll often stop and think about them,	
In My Life, I love you more	
In My Life, I love you more
