As Long As You Love Me by Backstreet Boys

Although loneliness has always been a friend of mine
I'm leavin' my life in your hands
People say I'm crazy and that I am blind
Risking it all in a glance
And how you got me blind is still a mystery
I can't get you out of my head
Don't care what is written in your history
As long as you're here with me
I don't care who you are, where you're from, what you did
As long as you love me
Who you are, where you're from, don't care what you did
As long as you love me
Every little thing that you (1)_____ said and done
