As Long As You Love Me by Backstreet Boys

Although loneliness has always been a friend of mine
I'm leavin' my life in your hands
People say I'm crazy and that I am blind
Risking it all in a glance
And how you got me blind is still a mystery
I can't get you out of my head
Don't care what is written in your history
As long as you're here with me
I don't (1)_____ who you are, where you're from,
(2)_____ you did
As long as you love me
Who you are, (3)_____ you're from, don't care what
you did
As long as you love me
Every little thing (4)_____ you have said and done
Feels like it's deep within me
Doesn't really matter if you're on the run
