Fill in the gaps

Remember the feelings, remember the day	But (4) some time you (5) pushed me
My (1) heart was breaking	aside
My love ran away	You never thought that a girl could be strong
This moments I knew I would be someone else	Now I'll show you how to go on
My (2) (3) around a	nd I fell Be my bad boy, be my man
Be my bad boy, be my man	Be my week-end (6)
Be my week-end lover	But don't be my friend
But don't be my friend	You can be my bad boy
You can be my bad boy	But (7)
But understand	That I don't need you in my life again
That I don't need you in my life again	Won't you be my bad boy, be my man
Won't you be my bad boy, be my man	Be my week-end lover
Be my week-end lover	But don't be my friend
But don't be my friend	You can be my bad boy
You can be my bad boy	But understand

That I don't need you again	No I don't (8) you again
No I don't need you again
