

## Fill in the gaps

Beauty queen of (1) eighteen	And she (16) be loved
She had some trouble with herself	And she will be loved
He was (2) there to help her	And she (17) be loved
She (3) belonged to someone else	I (18) where you hide alone in your car
I drove for miles and miles	Know all of the things that (19) you who you are
And wound up at your door	I know that (20) means
I've had you so many times	(21) at all
But somehow I (4) more	Comes back and begs me to catch her every time she falls,
I don't mind spending every day	yeah
Out on your corner in the pouring rain	Tap on my window knock on my door
Look for the (5) with the (6) smile	I want to make you feel beautiful
Ask her if she wants to stay awhile	I don't mind spending every day
And she will be loved	Out on your corner in the pouring rain
And she will be loved	Look for the (22) with the broken smile
Tap on my window knock on my door	Ask her if she wants to stay awhile
I want to make you (7) beautiful	And she will be loved
I know I (8) to get so insecure	And she will be loved
It doesn't matter anymore	And she will be loved
It's not always (9) and butterflies	(Please don't try so (23) to say goodbye)
It's compromise that moves us along, yeah	And she (24) be loved
My heart is full and my door's always open	Please don't try so (25) to say goodbye
You come (10) you want	Please don't try so hard to say goodbye
I don't mind spending (11) day	(I don't mind spending every day)
Out on your (12) in the pouring rain	(Out on your corner in the (26) rain)
Look for the girl (13) the (14) smile	Please don't try so hard to say goodbye
Ask her if she (15) to stay awhile	
And she will be loved
