

On the first part of the journey

## Fill in the gaps

La la la la la

I was looking at all the life	La la la la la
There were plants and birds and rocks and things	La la la la la
There was sand and hills and rings	La la la la la
The first thing I met was a fly with a buzz	After nine days I let the horse run free
And the sky with no clouds	'Cause the desert had turned to sea
The heat was hot and the ground was dry	There were plants and (6) and rocks and things
But the air was full of sound	There was sand and (7) and rings
I've been through the desert on a horse with no name	The (8) is a desert with it's life underground
It (1) good to be out of the rain	And a perfect disguise above
In the desert you can remember your name	Under the cities lies a heart made of ground
Cause there ain't no one for to give you no pain	But the humans will give no love
La la la la la	You see I've been through the (9) on a horse
La la la la la	with no name
La la la la la	It felt good to be out of the rain
La la la la la	In the desert you can remember your name
After two days in the desert sun	'Cause there ain't no one for to give you no pain
My skin began to (2) red	La la la la la
After three (3) in the desert fun	La la la la la
I was looking at a (4) bed	La la la la la
And the story it told of a river that flowed	La la la la la
Made me sad to think it was dead	
You see I've been through the desert on a horse with no name	
It felt good to be out of the rain	©WARNER/CHAPPELL MUSIC LTD
In the (5) you can remember your name	
'Cause there ain't no one for to give you no pain
