

Fill in the gaps

Little Things by One Direction

INSTRUMENTAL

Your hand fits in mine

Like it's made (1)_____ for me

But (2)_____ (3)_____ in mind

It was meant to be

And i'm joining up the dots

With the freckles on your cheeks

And it all makes sense to me

I know you've never loved

The crinkles by your eyes

When you smile,

You've never loved

Your stomach or your thighs

The dimples in your back

At the bottom of your spine

But i'll love them endlessly

CHORUS:

I won't let these little things

Slip out of my mouth

But if i do

It's you

Oh it's you

They add up to

I'm in love with you

And all (4)_____ little things

You cant go to bed

Without a cup of tea

And maybe that's the reason

That you talk in your sleep

And all those conversation

Are the secrets that I keep

Though it makes no sense to me

I know you've never loved the sound of your voice tape

You know want to know how much weigh

You still have to squeeze (5)_____ your jeans

But you're perfect to me

CHORUS:

I won't let these little things

Slip out of my (6)_____

but if it's true

It's you

Oh it's you

They add up to

I'm in (7)_____ with you

And all these little things

You'll never love yourself

Half as much as I love you

You'll (8)_____ treat yourself right darlin'

But i want you to

If i let you know

I'm here for you

Maybe you'll love (9)_____ like i love you

Oh..

I've just let these little things

Slip out of my mouth

Because it's you

Oh it's you

It's you

They add up to

And i'm in love you

And all these little things

I won't let these little things

Slip out of my (10)_____

But if it's true

It's you

It's you

They add up to

I'm in love with you

And all your little things

Answer

1. just
