## What Makes You Beatiful by One Direction

You're insecure	You don't know you're beautiful
Don't know what for	If only you saw what I can see
You're turning heads	You'll understand why I want you so desperately
When you walk through the do-o-or	Right now I'm looking at you and I can't believe
Don't need make up	You don't know oh oh
To cover up	You don't know you're beautiful
Being the way that you are is en-o-ough	Oh oh
Everyone else in the room can see it	That's what makes you beautiful
Everyone else but you	Na na na na na naaaa na na
Baby you light up my world like nobody (1)	Na na na na na
The way that you flip your hair gets me overwhelmed	Na na na na na naaaa na na
But when you smile at the ground it ain't hard to tell	Na na na na na
You don't know oh oh	Baby you light up my world like nobody else
You don't know you're beautiful	The way that you flip your hair gets me
If only you saw what I can see	(9)
You'll understand why I want you so desperately	But when you smile at the (10) it ain't hard to
Right now (2) looking at you and I can't believe	tell
You don't know oh oh	You don't know oh oh
You don't know you're beautiful	You don't know you're beautiful
Oh oh	Baby you light up my world like nobody else
That's what makes you beautiful	The way that you flip your hair gets me overwhelmed
So c-come on	But when you smile at the ground it ain't hard to tell
You got it wrong	You don't know oh oh
To prove I'm right I put it in a so-o-ong	You don't know you're beautiful
I don't know why	If only you saw what I can see
You're being shy	You'll understand why I want you so desperately
And turn away when I look into your ey-e-es.	Right now I'm looking at you and I can't believe
Everyone (3) in the room can see it	You don't know oh oh
Everyone else but you	You don't know you're beautiful
Baby you light up my (4) like nobody else	Oh oh oh
The way that you (5) your hair gets me	You don't know you're beautiful
(6)	Oh oh oh
But when you smile at the ground it ain't (7) to tell	That's what makes you beautiful
You don't (8) oh oh
