## Fill in the gaps

|  | If you wanna see me fall.                     |
|--|---|
| Everything I want I have:                  | Boy you're so dope,                           |
| Money, notoriety, rivieras.                | Your love is deadly.                          |
| I even think I found God                   | Tell me life is beautiful,                    |
| In the flash bulbs of the pretty cameras,  | They'll all think I have it all.              |
| Pretty cameras, pretty cameras.            | I (5) nothing without you.                    |
| Am I glamorous? Tell me, am I glamorous?   | All my dreams and all the lights mean         |
| Hello? Hello?                              | Nothing without you.                          |
| Ca-can you hear me?                        | We were two kids, just tryin' to get out,     |
| I can be your china doll                   | Lived on the dark side of the American dream. |
| If you wanna see me fall.                  | We would dance all night, (6) our music loud, |
| Boy you're so dope,                        | When we grew up nothing was what it seemed.   |
| Your love is deadly.                       | Hello? Hello?                                 |
| Tell me life is beautiful,                 | Ca-can you hear me?                           |
