

Fill in the gaps

Last Christmas, I gave you my heart	Now I've (4) a real love you'll never fool m
But the very next day, You gave it away	again
This year, to save me from tears	[Chorus]
I'll give it to someone special	A face on a lover with a (5) in his heart
Last Christmas, I (1) you my heart	(Gave you my heart)
But the very next day, You gave it away	A man undercover but you tore me apart
This year, to save me from tears	Next year
I'll give it to (2) special	I'll give it to someone, I'll give it to (6)
Once bitten and twice shy	special
I keep my distance but you still catch my eye	Special
Tell me baby do you recognize me?	Someone
Well it's been a year, it doesn't surprise me	Someone
(Merry Christmas!) I wrapped it up and sent it	I'll give it to someone, I'll give it to someone special
With a (3) saying "I Love You" I meant it	Who'll give me something in return
Now I know what a fool I've been	I'll give it to someone
But if you kissed me now I know you'd fool me again	Hold my heart and watch it burn
[Chorus]	I'll give it to someone, I'll give it to someone special
(Oh, oh baby)	I've got you here to stay
A crowded room, friends with tired eyes	I can love you for a day
I'm hiding from you and your soul of ice	I thought you were someone special
My God I thought you were someone to rely on	Gave you my heart
Me? I guess I was a shoulder to cry on	I'll (7) it to someone, I'll give it to someone
A face on a lover with a fire in his heart	Last (8) I gave you my heart
A man undercover but you tore me apart	You gave it away
Oh oh	I'll give it to someone, I'll give it to someone
