

## Fill in the gaps

Shut the door, turn the light off		If we (6)	only turn back time
I wanna be with you		You know I'll be	
I wanna (1)	your love	Your life, your voice,	
I wanna lay beside you		Your reason to be my love	
I cannot hide this even though I try		My (7)	is breathing for this
Heart beats harder		Moments in time	
Time escapes me		I'll find the words to say	
Trembling hands touch skin		Before you leave me today	
It makes this harder		Flashes left in my mind	
And the tears stream down my face		Going back to the time	
If we could only have this life for one more day		Playing games in the street	
If we could only (2) back time		Kicking balls with my feet	
You know I'll be		Dancing on with my toes	
Your life, your voice,		Standing close to the edge	
Your reason to be my love		There's a part of my clothes at the end of your bed	
My heart is (3) for this		As I feel myself fall	
Moments in time		Make a joke of it all	
I'll find the (4) to say		You (8) I'll be	
Before you leave me today		Your life, your voice,	
Close the door		Your reason to be my love	
Throw the key		My heart is breathing for this	
Don't (5) be reminded		Moment in time	
Don't wanna be seen		I'll find the words to say	
Don't wanna be without you		Before you leave me today	
My judgement is clouded		You know I'll be	
Like tonight's sky		Your life, (9) voice,	
Hands are silent		Your reason to be my love	
Voice is numb		My heart is breathing for this	
Try to scream out my lungs		Moment in time	
But it makes things harder		I'll find the words to say	
And the tears stream down my face		Before you leave me today	
If we could only h	nave this life for one more day
