

## Fill in the gaps

Shut the door, turn the light off	If we could only turn back time
I wanna be (1) you	You know I'll be
I (2) (3) your love	Your life, your voice,
I wanna lay beside you	Your reason to be my love
I cannot (4) this even though I try	My heart is breathing for this
Heart beats harder	Moments in time
Time escapes me	I'll (20) the words to say
Trembling hands touch skin	Before you leave me today
It (5) this harder	Flashes (21) in my mind
And the tears stream (6) my face	Going back to the time
If we (7) only have this life for one (8)	Playing games in the street
day	Kicking balls with my feet
If we could only turn back time	Dancing on (22) my toes
You (9) I'll be	Standing close to the edge
Your life, (10) voice,	There's a part of my clothes at the end of (23) bed
Your reason to be my love	As I (24) myself fall
My heart is breathing for this	Make a joke of it all
Moments in time	You know I'll be
I'll (11) the words to say	Your life, (25) voice,
Before you leave me today	Your reason to be my love
Close the door	My (26) is breathing for this
Throw the key	Moment in time
Don't (12) be reminded	I'll find the words to say
Don't (13) be seen	Before you leave me today
Don't wanna be without you	You know I'll be
My judgement is clouded	Your life, your voice,
Like tonight's sky	Your reason to be my love
Hands are silent	My heart is breathing for this
Voice is numb	Moment in time
Try to (14) out my lungs	I'll find the words to say
But it makes things harder	Before you (27) me today
And the tears (15) down my face	
If we (16) only (17) this	
(18) for one (19) day
