

## Fill in the gaps

Shut the door, turn the light off	If we could only turn back time
I (1) be with you	You know I'll be
I wanna feel your love	Your life, your voice,
I wanna lay beside you	Your reason to be my love
I cannot hide this even though I try	My heart is breathing for this
Heart beats harder	Moments in time
Time (2) me	I'll find the words to say
Trembling (3) touch skin	Before you (8) me today
It makes this harder	Flashes left in my mind
And the tears stream down my face	Going back to the time
If we could (4) have this life for one more day	Playing games in the street
If we could only turn back time	Kicking balls with my feet
You know I'll be	Dancing on with my toes
Your life, your voice,	Standing close to the edge
Your reason to be my love	There's a part of my clothes at the end of your bed
My heart is breathing for this	As I feel myself fall
Moments in time	Make a joke of it all
I'll find the words to say	You know I'll be
Before you leave me today	Your life, your voice,
Close the door	Your reason to be my love
Throw the key	My heart is breathing for this
Don't wanna be reminded	Moment in time
Don't wanna be seen	I'll find the words to say
Don't wanna be (5) you	Before you leave me today
My judgement is clouded	You know I'll be
Like tonight's sky	Your life, your voice,
Hands are silent	Your reason to be my love
Voice is numb	My heart is breathing for this
Try to (6) out my lungs	Moment in time
But it (7) things harder	I'll find the words to say
And the tears stream down my face	Before you (9) me today
If we could only have this life for one more day
