## Blue Jeans by Lana Del Rey

## Fill in the gaps

Blue jeans, White shirt	Love you more
Walked into the room you know you made my eyes burn	Adictivoz.com Adictivoz.com
It was like James Dean, for sure	Than those bitches before
You so fresh to death and sick as ca-cancer	Say you'll remember, oh baby, say you'll remember
You were sorta (1) rock, I grew up on hip hop	I will (10) you (11) the end of time
But you fit me better than my favorite sweater, and I know	You went out (12) night
That love is mean, and (2) hurts	And (13) that's alright
But I (3) remember that day we met in	I told you (14) no matter (15) you did I'd
December, oh baby!	be by (16) side
I (4) love you (5) the end of time	Cause Ima ride or die
I would wait a million years	Whether you fail or fly
Promise you'll remember that you're mine	Well shit, at least you tried,
Baby can you see through the tears?	But when you walked out that door, a piece of me died
Adictivoz.com Adictivoz.com	I told you I wanted more-but that not (17) I had in
Love you more	mind
Than (6) bitches before	I just want it like before
Say you'll remember, oh baby, say you'll remember	We (18) dancin' all night
I will love you till the end of time	Adictivoz.com Adictivoz.com
Big dreams, gangster	Then they took you away, (19) you out of my life
Said you had to leave to start your life over	You (20) need to remember
I was like: "no please, stay here,	Will love you till the end of time
We don't need no money we can make it all work"	I would wait a million years
But he headed out on Sunday, said he'd come home Monday	Promise you'll remember that your mine
I stayed up waitin', anticipatin' and pacin' but he was chasing	Baby can you see (21) the tears?
paper	Love you more
"Caught up in the game" that was the last I heard	Than those (22) before
I will (7) you (8) the end of time	Say you'll remember, oh baby, say you'll remember
I would wait a million years	I (23) love you till the end of time.
Promise you'll remember that you're mine	
Baby can you see (9) the tears?	

## 1. punk

- 2. love
- 3. still
- 4. will
