Blue jeans, White shirt		Love you more	
Walked into the room you know you made my eyes burn		Adictivoz.com Adictivoz.com	
It was like James Dean, for sure		Than those bitches before	
You so fresh to death and sick as ca-cancer		Say you'll remember, oh baby, say you'll remember	
You (1) (2)	punk rock, I grew up on	I will love you till the end of time	
hip hop		You went out every night	
But you fit me better than my	(3)	And baby that's alright	
sweater, and I know		I told you that no matter what you did I'd be by your side	
That love is mean, and love hurts		Cause Ima ride or die	
But I still remember that day we met in December, oh baby!		Whether you fail or fly	
I will love you till the end of time		Well shit, at least you tried,	
I would wait a million years		But when you (8)	_ out that door, a piece of me
Promise you'll remember that you're mine		died	
Baby can you see through the tears?		I told you I wanted more-but that not what I had in mind	
Adictivoz.com Adictivoz.com		I just want it like before	
Love you more		We were dancin' all night	
Than those bitches before		Adictivoz.com Adictivoz.com	
Say you'll remember, oh baby, say you'll remember		Then they took you away, stole you out of my life	
I will love you till the end of time		You just (9) to remember
