

## Fill in the gaps

Some nights, I stay up cashing in my bad luck,	So this is it? I sold my soul for this?
Some nights, I call it a draw,	Washed my hands of that for this?
Some nights, I wish that my lips could build a castle,	I miss my mom and dad for this?
Some nights, I wish they'd just fall off.	No. When I see stars, when I see stars, that's all they are,
But I still wake up, I still see your ghost,	When I hear songs, they sound like a swan, so come on,
Oh Lord, I'm still not sure what I stand for oh,	Oh, come on,
What do I stand for? What do I stand for?	Oh, come on,
Most nights, I don't know anymore,	Oh, come on.
Oh woah, oh woah, oh woah oh oh,	That is it, guys, that is all, five (8) in and I'm
Oh woah, oh woah, oh (1) oh oh.	bored again,
This is it, boys, this is war, what are we (2)	Ten years of this, I'm not sure if anybody understands,
for?	This is not one for the folks at home; I'm sorry to leave, mom, I

I try twice as hard and I'm half as liked, but here they	My heart is breaking for my sister and the con that she called
(4) again to jack my style.	'love',
And that's alright; I found a martyr in my bed tonight,	But when I look into my nephew's eyes,
She (5) my bones from wondering just who I am,	Man, you wouldn't believe the (9) amazing things
who I am, who I am,	that can come from
Oh, who am I? Oh, who am I? mmm mmm	Some terrible nights.
Well, Some nights, I wish that this all would end,	Oh woah, oh woah, oh oh,
Cause I could use some friends for a change,	Oh woah, oh woah, oh oh.
And some nights, I'm scared you'll forget me again,	The other night, you wouldn't believe the (10) I
Some nights, I always win, I always win.	just had about you and me,
But I still wake up, I still see your ghost,	I called you up, but we'd both agree,
Oh Lord, I'm still not (6) what I stand for, oh,	It's for the best you didn't listen,
What do I (7) for? What do I stand for?	It's for the best we get our distance,
Most nights, I don't know (come on)	It's for the best you didn't listen,
	It's for the best we get our distance.
