

Fill in the gaps

Some nights, I stay up cashing in my bad luck,	So this is it? I sold my soul for this?
Some nights, I call it a draw,	Washed my hands of that for this?
Some nights, I wish that my lips could build a castle,	I miss my mom and dad for this?
Some nights, I wish they'd just fall off.	No. When I see stars, when I see stars, that's all they are,
But I (1) wake up, I still see your ghost,	When I hear songs, they sound like a swan, so come on,
Oh Lord, I'm still not sure what I stand for oh,	Oh, come on,
What do I stand for? What do I stand for?	Oh, come on,
Most nights, I don't know anymore,	Oh, come on.
Oh woah, oh woah oh oh,	That is it, guys, that is all, five minutes in and I'm bored again,
Oh woah, oh woah oh oh.	Ten (8) of this, I'm not sure if anybody
This is it, boys, this is war, what are we waiting for?	understands,
Why don't we (2) the rules already?	This is not one for the folks at home; I'm sorry to leave, mom,
I was never one to believe the hype, save that for the black	had to go,
and white,	Who the fuck wants to die alone all dried up in the deser
I try twice as hard and I'm half as liked, but here they come	sun?.
again to jack my style.	My heart is breaking for my sister and the con that she called
And that's alright; I found a martyr in my bed tonight,	'love',
She stops my bones from (3) just who	But when I look into my nephew's eyes,
I am, who I am, who I am,	Man, you wouldn't believe the most amazing things
Oh, who am I? Oh, who am I? mmm mmm	(9) can come from
Well, Some nights, I wish that this all would end,	Some terrible nights.
Cause I (4) use some friends for a change,	Oh woah, oh woah, oh oh,
And (5) nights, I'm scared you'll forget me again,	Oh woah, oh woah, oh oh.
Some nights, I always win, I (6) win.	The other night, you wouldn't believe the dream I just had
But I (7) wake up, I still see your ghost,	about you and me,
Oh Lord, I'm still not sure what I stand for, oh,	I called you up, but we'd both agree,
What do I stand for? What do I stand for?	It's for the best you didn't listen,
Most nights, I don't know (come on)	It's for the best we get our distance,
	It's for the best you didn't listen,
	It's for the best we get our distance.

- 1. still
- 2. break
- 3. wondering
- 4. could
- 5. some
- 6. always
- 7. still
- 8. years
- 9. that
