

Fill in the gaps

I was there to witness	What are you doing this for?
Candice's inner bussines	Now tell me
She wants the boys to notice	Hey ho here she goes
Her rainbows and her ponnies	Either a little too high or a (12) too low
She was educated	Got no self-esteem and vertigo
But could not count to ten	Because she thinks she's made of candy
How she got (1) of different horses	Hey ho here she goes
By lots of different men	Either a (13) too (14) or a little too
And I say	close
Liberate your sons and daughters	There's a hurricane in the back of her throat
The (2) is high	And she thinks she's made of candy
But in the hole there's water	Liberate (15) sons and daughters
You can get some, (3) they give it	The bush is high
Nothing sacred, but it's a living	But in the (16) there's water
Hey ho here she goes	As you win (17) be the Hollywood love
Either a little too high or a little too low	And if you don't feel good
Got no self-esteem and vertigo	What are you doing this for?
Because she thinks (4) of	(bis)
candy	Hey ho here she goes
Hey ho here she goes	Either a little too high or a little too low
Either a little too (6) or a little too close	Got no self-esteem and vertigo
There's a hurricane in the (7) of her throat	Because she (18) she's made of candy
And she (8) she's made of candy	Hey ho here she goes
Ring-a-ring o'roses	Either a (19) too loud or a (20)
Whoever gets the closest	too close
She (9) and she goes	There's a hurricane in the back of her throat
As the war of the roses	And she thinks (21) made of candy
Mother was a victim	Hey ho (22) she goes
Father beat the system	Either a little too high or a (23) too low
By moving bricks to Brixton	Got no self-esteem and vertigo
And learning how to fix them	Because she thinks she's made of candy
Liberate your (10) and daughters	Hey ho here she goes
The bush is high	Either a (24) too loud or a little too close
But in the hole there's water	There's a hurricane in the back of her throat
As you win she'll be the Hollywood love	And she thinks (25) made of candy
And if it don't (11) good
