

Fill in the gaps

Come on skinny love (1) last the year	Come on skinny (16) (17) happened
Pour a little salt, we (2) never here	here
My, my, my, my, my, my, my	We suckled on the (18) in lite brassieres
Staring at the (3) of (4) and crushed	My, my, my, my, my, my, my
veneer	Sullen load is full, so (19) on the split
I tell my (5) to (6) it all	And I told you to be patient
Cut out all the (7) and let me fall	And I (20) you to be fine
My, my, my, my, my, my, my	And I told you to be balanced
Right in this (8) (9) order's tall	And I told you to be kind
I (10) you to be patient	And now all your (21) is wasted
I told you to be fine	And who the hell was I?
And I told you to be balanced	I'm breaking at the bridges
And I (11) you to be kind	And at the end of all (22) lines
In the morning I'll be (12) you	Who will (23) you?
But it (13) be a (14) kind	Who (24) fight?
I'll be (15) all the tickets	Who will fall far behind?
And you'll be owning all the fines
