

## Fill in the gaps

Feet don't fail me now	Keep making me laugh,
Take me to the finish line	Let's go get high
All my heart, it breaks every step that I take	Road's long, we carry on
But I'm hoping that the gates,	Try to have fun in the meantime
They'll tell me that you're mine	Come and (6) a walk on the wild side
Walking through the city streets	Let me kiss you hard in the pouring rain
Is it by mistake or design?	You like your girls insane
I (1) so alone on a friday night	Choose your last words,
Can you make it feel like home, if I tell you you're mine	This is the (7) time
It's like I told you honey	Cause you and I
Don't make me sad, don't make me cry	We were born to die
Sometimes love's not enough when the road gets tough	We were born to die
I don't (2) why	We were born to die
Keep making me laugh,	Come and take a walk on the wild side
Let's go get high	Let me kiss you hard in the pouring rain
Road's long, we carry on	You like your girls insane
Try to have fun in the meantime	Don't make me sad, don't make me cry
Come and take a (3) on the wild side	Sometimes love's not enough when the road gets tough
Let me kiss you hard in the pouring rain	I don't know why
You like your girls insane	Keep making me laugh,
Choose your last words	Let's go get high
This is the (4) time	Road's long, we carry on
Cause you and I, we were born to die	Try to have fun in the meantime
Lost but now I am found	Come and (8) a (9) on the wild sid
I can see but once I was blind	Let me kiss you (10) in the pouring rain
I was so confused as a little child	You like your girls insane
Tried to take what I could get	Choose your last words
Scared that I couldn't find	This is the last time
All the answers, honey	Cause You and I
Don't (5) me sad, don't make me cry	We were born to die
Sometimes love's not enough when the road gets tough	We were born to die
I don't know why
