## One More Night by Maroon 5

Baby I stopped using my head

## Fill in the gaps

You and I go hard		Using my head let it all go	
At each other like we're going to war		Now you're stuck on my body	
You and I go rough		On my body (4) a tattoo	
We keep (1)	things and slamming the	And now I'm feeling stupid	
door		Feeling stupid crawling back to you	
You and I get so damn dysfunctional		So I cross my heart and I hope to die	
We stopped keeping score		That I'll (5) stay with you one (6)	night
You and I get sick		And I know I said it a million times	
Yeah I know that we can do this no more		But I'll only stay with you one more night	
But baby there you go again		Yeah baby give me one more night	
There you go again making me love you		Yeah baby give me one more night	
Baby I stopped using my head		Yeah baby give me one (7) night	
Using my head let it all go		Baby there you go again	
Now you're stuck on my body		There you go again making me love you	
On my body like a tattoo		I stopped using my head	
And now I'm (2) stupid		Using my head let it all go	
Feeling stupid crawling back to you		Got you stuck on my body	
So I cross my heart and I hope to die		On my (8) like a tattoo	
That I'll only stay with you one	(3) night	So I cross my heart and I hope to die	
And I know I said it a million times		That I'll (9) stay with you one more nigh	ıt
But I'll only stay with you one more night		And I know I said it a million times	
Try to tell you no		But I'll only stay with you one more night	
But my body keeps on telling you yes		-Yes baby give me one more time-	
Try to tell you stop		So I cross my heart and I hope to die	
But your lipstick got me so out of breath		That I'll only stay with you one more night	
I'll be waking up in the morning probably hating myself		And I know I said it a (10) times	
And I'll be waking up feeling satisfied		But I'll only stay with you one more night	
But guilty as hell		-I don't know, whatever, whatever-	
But baby there you go again			
There you go again making me	love you		

- 1. throwing
- 2. feeling
- 3. more
- 4. like
- 5. only
- 6. more
- 7. more
- 8. body
- 9. only
- 10. million
