One More Night by Maroon 5

You and I go hard

At each other like we're going to war

You and I go rough

We keep (1)_____ things and slamming the door

You and I get so damn dysfunctional

We stopped keeping score

You and I get sick

Yeah I know that we can do this no more

But baby there you go again

There you go again making me love you

Baby I stopped using my head

Using my head let it all go

Now you're stuck on my body

On my body like a tattoo

And now I'm (2)_____ stupid

Feeling stupid crawling back to you

So I cross my heart and I hope to die

That I'll only stay with you one (3)_____ night

And I know I said it a million times

But I'll only stay with you one more night

Try to tell you no

But my body keeps on telling you yes

Try to tell you stop

But your lipstick got me so out of breath

I'll be waking up in the morning probably hating myself

And I'll be waking up feeling satisfied

But guilty as hell

But baby there you go again

There you go again making me love you

Baby I stopped using my head

Using my head let it all go

Now you're stuck on my body

On my body (4)_____ a tattoo

And now I'm feeling stupid

Feeling stupid crawling back to you

So I cross my heart and I hope to die

That I'll (5)_____ stay with you one (6)_____ night

And I know I said it a million times

But I'll only stay with you one more night

Yeah baby give me one more night

Yeah baby give me one more night

Yeah baby give me one (7)_____ night

Baby there you go again

There you go again making me love you

I stopped using my head

Using my head let it all go

Got you stuck on my body

On my (8)_____ like a tattoo

So I cross my heart and I hope to die

That I'll (9)_____ stay with you one more night

And I know I said it a million times

But I'll only stay with you one more night

-Yes baby give me one more time-

So I cross my heart and I hope to die

That I'll only stay with you one more night

And I know I said it a (10)_____ times

But I'll only stay with you one more night

-I don't know, whatever, whatever-

Answer
