

Candles by Daughter

Fill in the gaps

That boy, take me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a (1)_____ heart confusing my mind, but we're
both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I (2)_____ brittle bones it seems
I (3)_____ my tongue and (4)_____ my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we learn from the times we are
cursed
Things cannot be reversed, learn (5)_____ the ones we
fear the worst
And learn from the ones we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a (6)_____ heart confusing my mind, but we're
both in silence
Wide-eyed, both in silence
Wide-eyed
Cause we both (7)_____ I'll never be (8)_____ lover
I only bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please just blow out all the candles, blow out all the
candles
"You're too old to be so shy," he says to me so I (9)_____
the night
It's just a (10)_____ heart confusing my mind, but
we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Fill in the gaps

Answer
