

Candles by Daughter

Fill in the gaps

That boy, take me away, into the night
Out of the hum of the street lights and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have (1)_____ bones it seems
I bite my (2)_____ and torch my dreams
Have a little voice to speak with
And a (3)_____ of thoughts and secrecy
Things (4)_____ be reversed, we learn from the
times we are cursed
Things cannot be reversed, learn from the ones we fear the
worst
And learn from the (5)_____ we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, (6)_____ in silence
Wide-eyed
Cause we both know I'll (7)_____ be your lover
I only bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling space in your sheets, in your sheets
So, please (8)_____ blow out all the candles, blow out all
the candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young (9)_____ (10)_____
my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.
