Candles by Daughter

That boy, take me away, into the night

Out of the hum of the street lights and into a forest

I'll do (1)_____ you say to me in the dark

Scared I'll be torn apart by a wolf in mask of a familiar name
on a birthday card

Blow out all the candles, blow out all the candles

"You're too old to be so shy," he says to me so I stay the night

Just a young heart confusing my mind, but we're both in
silence

Wide-eyed, both in silence

Wide-eyed, like we're in a crime scene

Well I (2)_____ (3)_____ bones it seems

I bite my (4)_____ and torch my dreams

Have a little voice to speak with

And a mind of thoughts and secrecy

Things cannot be reversed, we learn from the times we are
cursed

Things cannot be reversed, learn from the ones we fear the
worst

And learn from the ones we (5)_____ the most how to

Blow out all the candles, blow out all the candles

"You're too old to be so shy," he says to me so I (6)_____
the night

Just a young heart confusing my mind, but we're both in
silence

Wide-eyed, (7)_____ in silence

Wide-eyed

Cause we both know I'll never be your lover

I only bring the heat

Company under cover

Filling (8)_____ in your sheets

Well I'll never be a lover

I only (9)_____ the heat

Company under cover

Filling space in your sheets, in your sheets

So, please just blow out all the candles, blow out all the
candles

"You're too old to be so shy," he (10)_____ to me so I

It's just a young heart confusing my mind, but we're both in
